

STUDENT IMMUNIZATION RECORD

(Please retain a copy for your files)

NYS Public Health Law 2165 requires post-secondary students to show protection against measles, mumps and rubella. Persons born prior to January 1, 1957 are exempt from this requirement. Measles, mumps and rubella vaccines must have been administered on or after first birthday. Measles vaccines and MMR's must be at least 30 days apart. For specific information regarding valid proof of immunity, please refer to the Polytechnic University Immunization Guide.
